

Would you like to run in your school?

- a great way for children and young people to be inspired by and enjoy the arts
- a framework for learning new skills and sharing them
- an opportunity to develop creativity and leadership skills
- a link between young people and creative arts professionals

To achieve Discover, children and young people discover the arts around them, find out about artists and their work and share their experiences with others, gaining a certificate at the end.

Arts Award Explore is designed for ages 7 plus. Young people collect their arts experiences in an Explore arts log as they go along, recording what they find and enjoy. You can find out more about these nationally recognised qualifications at:

www.artsaward.org.uk

You can become an Arts Award Adviser and support young people to achieve these awards in your school or setting.

Devon Music Education Hub is offering a Discover & Explore Adviser training session at a subsidised rate of £40 plus VAT per delegate.
