<p>Practice chanters</p> 	<p>Plastic double-reed precursor to bagpipes in C.</p>
<p>Nuvo TooTs</p> 	<p>Easy-blowing in C with simple fingering and interchangeable flute/recorder lip plate. The perfect “stepping stone” from recorder to flute.</p>
<p>Nuvo DooDs</p> 	<p>Easy-blowing in C with recorder fingering and clarinet mouthpiece. The perfect “stepping stone” from recorder to clarinet or sax. <b>Note these take a standard Eb clarinet reed.</b></p>
<p>Nuvo jSaxes</p> 	<p>Easy-blowing in C with recorder fingering and sax mouthpiece. The perfect “stepping stone” from recorder to clarinet or sax. <b>Note these take a standard Eb clarinet reed.</b></p>

# BRASS

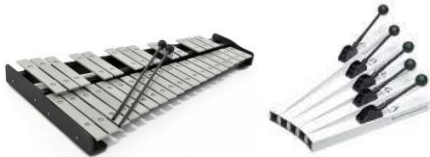

<p>pBuzzes</p> 	<p>This 6-note plastic sliding “trombone” with fun colours is an ideal introduction to the brass family.</p>
<p>pBones</p> 	<p>Brightly-coloured Bb plastic trombones – lightweight but unmistakably a trombone – a wonderful way to get young children playing!</p>
<p>Pocket trumpets</p> 	<p>In Bb with the range of a normal trumpet but tighter coils for small hands.</p>
<p>Mini French Horns</p> 	<p>In Bb, smaller, lighter and easier to blow than the orchestral “double horn” - ideal for beginners.</p>
<p>Tenor horns &amp; mini-tubas</p> 	<p>Set in Eb.</p>
<p>Simple mixed brass set</p> 	<p>Set of cornets &amp; baritones in Bb.</p>
<p>Advanced mixed brass set</p> 	<p>For long-term projects we can offer a standardised mixed brass set comprising trumpets, cornets, flugels, baritones &amp; euphoniums, with optional trombones.</p>

# PERCUSSION

<p>Djembes</p> 	<p>Up to 30 wooden African drums that can be supplemented with your own handheld percussion.</p>
<p>Djembes Lite</p> 	<p>Set of 30 lightweight but sturdy bamboo drums supplied in space-saving multi-unit cases – ideal for both smaller children and smaller schools!</p>
<p>Samba</p> 	<p>Recreate that Rio sound with large surdo, repinique, snare drums, tambourim and handheld percussion including agogo bells, shakers and the all-important Samba whistle!  <b>Please ensure you have sufficient storage space when booking this set.</b></p>
<p>Mini-samba</p> 	<p>Similar to above but with nesting surdo – perfect if storage is an issue.</p>
<p>Mini-samba Lite</p> 	<p>As mini-Samba but with lightweight polypropylene surdo to make transport even easier.</p>
<p>Jumbie Jams</p> 	<p>Coloured mini steel pans 1 diatonic octave in G major, supplied with book and CD as standard. Floorstanding or desktop option available</p>

<p>Mini-steel pans</p> 	<p>Desktop mini steel pans 1.5 diatonic octaves in C major. Set includes a freestanding single-octave bass pan for colour.</p>
<p>Steel pans</p> 	<p>Traditional set of 24 fully chromatic steel pans in various sizes – <b>please ensure you have sufficient storage space when booking this set.</b></p>
<p>Bells</p> 	<p>Inspire a new generation of tuned percussionists with our mixed set of hand chimes and tabletop glockenspiels.</p>
<p>Taiko</p> 	<p>Set of 18 Japanese "pipe" drums – <b>please ensure you have sufficient storage space when booking this set.</b></p>
<p>Tablas</p> 	<p>Up to 25 pairs of traditional Indian drums.</p>
<p>Gamelan</p> 	<p>30-player set suitable for schools.</p>

Bamboo Tamboo

Set of 36 (12 of each pitch). Bamboo Tamboo is a form of music from the Caribbean Islands of Trinidad and Tobago. It combines hitting a Bamboo (plastic) tube on the ground then striking it with a beater. They will not mark or damage your floor!
