

Devon Music Education Hub supports schools to allow staff to access training opportunities. **There could be funding available to support YOUR training needs**

Are you a music education practitioner with a training or development need that you are struggling to meet within your school budget?

Would you benefit from networking, observing and sharing good practice with some of your peers?

Are there regional or national training opportunities your school CPD budget isn't able to stretch to?

Could a day with a visiting artist inspire your colleagues and develop the musical culture in your school community?

Is the cost of cover an obstacle in allowing you to access music education CPD opportunities?

DMEH has additional funding ring-fenced for CPD opportunities for music practitioners across Devon. You can submit an application for support with CPD needs as well as a contribution towards cover costs for your school through your Music Lead,

Visit www.dmeh.org and search 'CPD and Training' to find out more about local, regional and national music education CPD opportunities

Devon Music Education Hub

Supported using public funding by

ARTS COUNCIL ENGLAND
